|                       |                          |
|-----------------------|--------------------------|
| Product No. 107071603 |                          |
| Nominal flow Ø DN:    | 19 mm                    |
| Connection Stroke:    | mm                       |
| Max WP Connected:     | 420 bar                  |
| Max WP Disconnected:  | 400 bar                  |
| Min BP Connected:     | 1680 bar                 |
| Min BP Disconnected:  | 1000 bar                 |
| Temperature range:    | -30°C - +120°C           |
| Connection:           | 1 5/16" fem - SAE 1" ORB |
| Body material:        | Plated steel             |
| Sealing material:     | HNBR                     |
| Hexagon:              | 55                       |

|                                                              |                |                          |                    |                  |
