

## AR-B, Regulator & Regulator w/Backflow Function AR25-03BG-B

### Datasheet

### General series information

- This product is being discontinued and will be replaced by AR-D series. [Update details here.](#)

### Standard specifications

|                                         |                                                                 |
|-----------------------------------------|-----------------------------------------------------------------|
| Made to Order 1                         | None                                                            |
| Body Size                               | 25                                                              |
| Backflow Function                       | None                                                            |
| Thread                                  | Rc                                                              |
| Port                                    | 03 (3/8)                                                        |
| Option                                  | BG (Bracket + Round type pressure gauge [with limit indicator]) |
| Semi-standard                           | Standard                                                        |
| Made to Order 2                         | None                                                            |
| Pressure medium                         | Air                                                             |
| Maximum operating pressure              | 1.0 MPa                                                         |
| Proof pressure                          | 1.5 MPa                                                         |
| Maximum ambient temperature with magnet | 60 °C                                                           |
| Minimum ambient temperature             | -5 °C (with no freezing)                                        |
| Approvals                               | No need;No need                                                 |
| Weight                                  | 0.299 Kg                                                        |

## Constructions

### AR20(K)-B/AR25(K)-B

#### Component Parts

| No. | Description | Material           | Model                  | Colour |
|-----|-------------|--------------------|------------------------|--------|
| 1   | Body        | Zinc die-cast      | AR10-A                 | White  |
|     |             | Aluminium die-cast | AR20(K)-B to AR60(K)-B |        |
| 2   | Bonnet      | Polyacetal         | AR10-A                 | White  |
|     |             |                    | AR20(K)-B to AR40(K)-B |        |
|     |             | Aluminium die-cast | AR50(K)-B/AR60(K)-B    |        |

#### [AR20(K)-B to AR60(K)-B]

| No. | Description             | Material        | Part no.     |             |             |             |              |             |
|-----|-------------------------|-----------------|--------------|-------------|-------------|-------------|--------------|-------------|
|     |                         |                 | AR20(K)-B    | AR25(K)-B   | AR30(K)-B   | AR40(K)-B   | AR40(K)-06-B | AR50(K)-B   |
| 3   | Valve                   | Brass, HNBR     | AR20P-410S   | AR25P-410S  | AR30P-410S  | AR40P-410S  | AR50P-410S   | AR60P-410S  |
| 4   | Diaphragm assembly      | Weatherable NBR | AR20P-150AS  | AR25P-150AS | AR30P-150AS | AR40P-150AS | AR50P-150AS  |             |
| 5   | Valve guide assembly    | Polyacetal      | AR20P-050AS  | AR25P-050AS | AR30P-050AS | AR40P-050AS | AR50P-050AS  | AR60P-050AS |
| 6   | Check valve assembly *1 | —               | AR23KP-020AS |             |             |             |              |             |

\*1 Check valve assembly is applicable for a regulator with backflow function (AR20K-B to AR60K-B) only.  
Assembly of a check valve cover, check valve body assembly and 2 mounting screws

## Additional information

|                           |                                                                                  |
