

## AR-B, Regulator & Regulator w/Backflow Function AR60-F10E-Y-B

Datasheet

### General series information

- This product is being discontinued and will be replaced by AR-D series. [Update details here.](#)

### Standard specifications

|                             |                                                               |
|-----------------------------|---------------------------------------------------------------|
| Made to Order 1             | None                                                          |
| Body Size                   | 60                                                            |
| Backflow Function           | None                                                          |
| Thread                      | F (G)                                                         |
| Port                        | 10 (1)                                                        |
| Option                      | E (Square embedded type pressure gauge, with limit indicator) |
| Semi-standard               | Y (Knob, Upward)                                              |
| Made to Order 2             | None                                                          |
| Pressure medium             | Air                                                           |
| Maximum operating pressure  | 1.0 MPa                                                       |
| Proof pressure              | 1.5 MPa                                                       |
| Maximum ambient temperature | 60 °C                                                         |
| Minimum ambient temperature | -5 °C (with no freezing)                                      |
| Approvals                   | No need;No need                                               |

Constructions

Component Parts

| No. | Description | Material           | Model                  | Colour |
|-----|-------------|--------------------|------------------------|--------|
| 1   | Body        | Zinc die-cast      | AR10-A                 | White  |
|     |             | Aluminium die-cast | AR20(K)-B to AR60(K)-B |        |
| 2   | Bonnet      | Polyacetal         | AR10-A                 | White  |
|     |             |                    | AR20(K)-B to AR40(K)-B |        |
|     |             | Aluminium die-cast | AR50(K)-B/ AR60(K)-B   |        |

[AR20(K)-B to AR60(K)-B]

| No. | Description                        | Material        | Part no.     |             |             |             |              |             |
|-----|------------------------------------|-----------------|--------------|-------------|-------------|-------------|--------------|-------------|
|     |                                    |                 | AR20(K)-B    | AR25(K)-B   | AR30(K)-B   | AR40(K)-B   | AR40(K)-06-B | AR50(K)-B   |
| 3   | Valve                              | Brass, HNBR     | AR20P-410S   | AR25P-410S  | AR30P-410S  | AR40P-410S  | AR50P-410S   | AR60P-410S  |
| 4   | Diaphragm assembly                 | Weatherable NBR | AR20P-150AS  | AR25P-150AS | AR30P-150AS | AR40P-150AS | AR50P-150AS  |             |
| 5   | Valve guide assembly               | Polyacetal      | AR20P-050AS  | AR25P-050AS | AR30P-050AS | AR40P-050AS | AR50P-050AS  | AR60P-050AS |
| 6   | Check valve assembly <sup>*1</sup> | —               | AR23KP-020AS |             |             |             |              |             |

<sup>\*1</sup> Check valve assembly is applicable for a regulator with backflow function (AR20K-B to AR60K-B) only.  
Assembly of a check valve cover, check valve body assembly and 2 mounting screws
