

ARJ310, Miniature Regulator Series - SMC ARJ310-01BG-S

Item no. SMC-ARJ310-01BG-S

Manufacturer SMC

Built-in One-touch Fitting: Steel Tube Piping Thread: R, Rc
Accessory: BG (B + G) Tube Size: Without One-touch Fitting
Option: S (Sealant)

TECHNICAL DATA

Weight	0.1 kg
Zolltarifnummer	84811099

DESCRIPTION

Miniature regulator series ARJ is part of SMC's pressure control equipment line. The ARJ series is available with or without one-touch fittings depending on the model type. All models come standard as direct operated relieving style. Two mounting thread options are available on the ARJ210 & ARJ310 series. ARJ1020F comes standard with M5 threads. Options include bracket, pressure gauge, and manifold base (depending on model).
