C(D)G5-S, Stainless Steel Cylinder, Double Acting, Single Rod - SMC CDG5BA100SV-1500

Item no. SMC-CDG5BA100SV-1500 **Manufacturer SMC**

Magnet: D (Built-in) Mounting: B (Basic Style) Style: A (Non-lube Air Cushion) Bore Size: 100mm Thread: Rc (M5 for Air Cushion 20 & 25 Bore) Seal Material: V (FKM) Stroke: 1500 Auto Switch: None Lead Wire or Prewired Connector: 0.5m (Or None in the Case of No Switch) Number: 2 pcs. (Or None in the Case of No Switch) Rod End Options: None Temperature Resistance: None

TECHNICAL DATA

Weight	**0.1 kg**
Zolltarifnummer	**84123100**

DESCRIPTION

SMC's CG5-S series is a stainless steel cylinder, perfect for use in wash down applications such as food processing machinery requiring intense cleaning. The use of non-toxic additives allows confident use in equipment for foods, beverages and medical products, etc. The CG5-S can be disassembled, allowing replacement of seals, which promotes an extended service life. SMC provides plugs for unused mounting threads to prevent residue build-up in the threads. The use of stainless steel (SUS304) on external metal parts provides improved corrosion resistance in environments with exposure to water.
