

C(D)M2-Z, Air Cylinder, Double Acting, Single Rod - SMC CM2C32-100Z

Item no. SMC-CM2C32-100Z

Manufacturer SMC

Magnet: None Type: Pneumatic Mounting: C (Single Clevis) Bore Size: 32mm Port Thread: Rc Lube-retainer: Without Stable Lubrication Function Stroke: 100 Cushion: Rubber Bumper Rod End Thread: Male Rod End Rod Boot: None Pivot Bracket: None Rod End Bracket: None Auto Switch: No Switch Lead Wire or Prewired Connector: 0.5m (Or None in the Case of No Switch) Number: 2 pcs. (Or None in the Case of No Switch) Rod End Options: None Made of Stainless Steel: None

TECHNICAL DATA

Weight	0.47 kg
Zolltarifnummer	84123100

DESCRIPTION

We are proud to introduce our Series CM2-Z round air cylinder. This new model delivers improved assembly time and reduced maintenance costs thanks to the auto-switch position, which can be altered by the loosening of just one screw. The addition of a transparent auto switch bracket provides improved visibility of the status of the switch and the Series delivers extra flexibility including the option of male and female rods. Where space is at a premium, you can select a female rod end (up to 29 mm shorter) and/or boss-cut type (up to 16 mm shorter). With a wide range of mounting brackets available, the CM2-Z also delivers greater mounting flexibility, making it ideal for use in applications such as pick and place, positioning and clamping.
