

VV5Q11-F, D-sub Connector - SMC VV5Q11-06C4FU0-Q

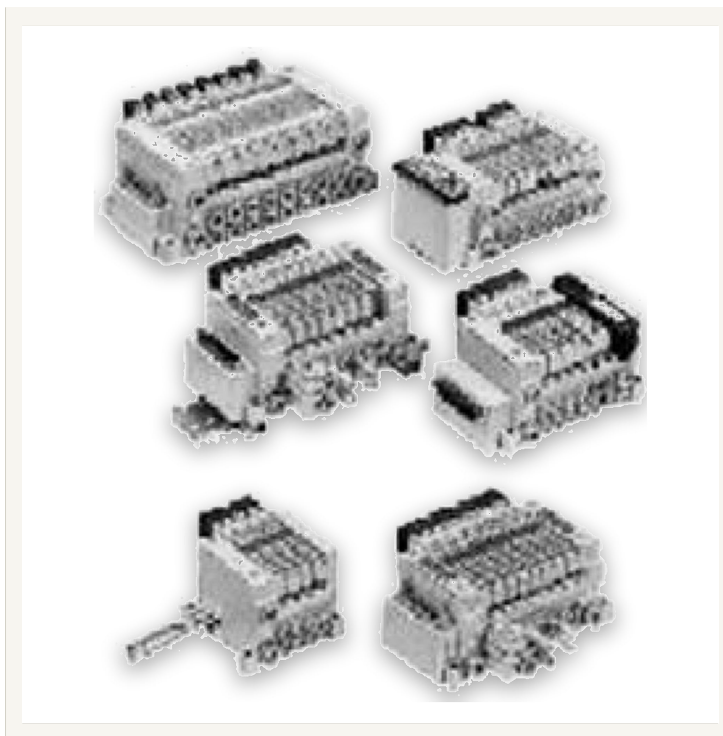

Item no. SMC-VV5Q11-06C4FU0-Q

Manufacturer SMC

Stations: 6 Stations Port Size: C4 (ø4 One-touch Fitting) Kit Name: F (D-sub Connector 25 Pin) Electrical Entry: U (Upper) Cable Length: 0 (w/o Cable 25 Pin) Back Pressure Check: None DIN Rail Mounting: None Special Wiring Specification: None Name Plate: None External Pilot: None Built-in Silencer: None CE Compliant: Q (CE Compliant)

TECHNICAL DATA

Weight	0.37 kg
Zolltarifnummer	84819000

DESCRIPTION

- Base mounted Single or Manifold plug in/plug lead unit.
- Compact design with high flow capacity (up to 4350 l/min).
- Power consumption: 1.5 W or less.
- Availability: rubber/metal seal, common or individual wiring.
- IP65 compliant for VQ4000/5000 and dust proof for VQ0000/1000/2000.
