

ZSE20A(F), High-Pressure, Digital Pressure Switch, 3-Screen Display (IP40) - SMC ZSE20A-V-01

Item no. SMC-ZSE20A-V-01

Manufacturer SMC

Series: ZSE20 Rated pressure range: A (0 to -101 kPa) Output Specification: V (PNP Open Collector 2 Outputs + Analogue Current Output) Unit Specification: w/Unit Selection Function Piping Specification: 01 (R 1/8) Lead Wire: w/o Lead Wire Bracket: None Operation Manual: Operation Manual, w/o Calibration Certificate

TECHNICAL DATA

Weight	0.048 kg
Zolltarifnummer	85365019

DESCRIPTION

- High-Precision Digital Vacuum Switches
- 3-Screen, 3-Colour Display
- Applicable fluid: air, non-corrosive gas, non-flammable gas, or general fluids
- Pressure ranges: from -101 to 100 kPa
- Repeatability: ± 0.2 % F.S.
- Output: IO-Link, NPN/PNP or Analogue (Voltage/Current)
- Select response time: from less than 1.5 ms to 5 s.
- IP40 or IP65
- Consumption: 35 mA or less.
