

Tubing Extension Union Elbow Reducer - LQ1E-T-R - SMC LQ1E32-T-R1

Item no. SMC-LQ1E32-T-R1

Manufacturer SMC

Size Combination: 32-T-R1 (A Packaging: Clean Packaging)

TECHNICAL DATA

Weight	0.1 kg
Zolltarifnummer	39174000

DESCRIPTION

SMC high purity HYPER FITTING series LQ* responds to the latest demands in process control. From parts cleaning to assembly and packaging, all processes are controlled for cleanliness, and the use of new PFA virtually eliminates particle generation and TOC (total organic carbon) allowing confident use for the most demanding applications. If chemistries or flow requirements are changed during process, our face seal design allows for quick change of tubing, and/or tube diameters, using the same fitting body.
