

## HI Compressed Air Filter - Norgren F72C-2GN-QT0

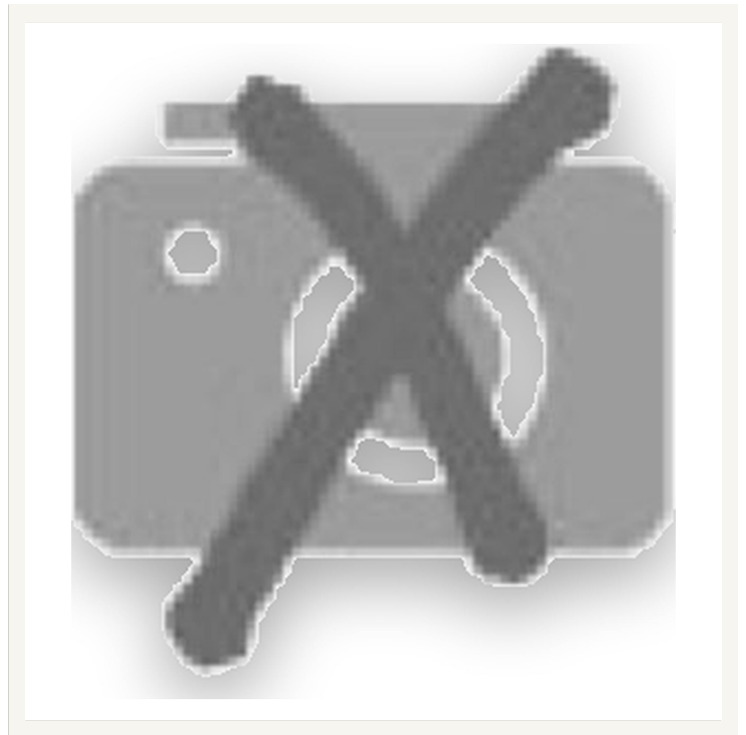

Item no. NRG-F72C-2GN-QT0

Manufacturer Norgren

HI-Druckluftfilter. Norgren air preparation (filter, regulator, lubricator) delivers clean, regulated and optionally lubricated compressed air and protects downstream components.

### TECHNICAL DATA

|                 |          |
|-----------------|----------|
| Weight          | 0.45 kg  |
| Zolltarifnummer | 84213925 |

### DESCRIPTION

Norgren air preparation (filter, regulator, lubricator) delivers clean, regulated and optionally lubricated compressed air and protects downstream components.

### TECHNICAL DATA

|                            |                                     |
|----------------------------|-------------------------------------|
| BetriebsMedium             | Druckluft                           |
| Ambient temperature        | -34 ... 50 °C                       |
| Operating Temperaturee     | -29 ... 122 °F                      |
| Port                       | G1/4                                |
| Ablass                     | Manuell                             |
| Filterelement              | 0.01 µm                             |
| Maximaler BetriebsPressure | 10 bar                              |
| Flow                       | 9.5 scfm                            |
| GehäuseMaterial            | Zink-Druckguss                      |
| Material - Behälter        | Polycarbonat                        |
| Material - Elastomere      | Nitrile rubber                      |
| Material - Filterelement   | synthetic fibre & polturethane foam |

|        |         |
|--------|---------|
| Series | F72C    |
| Series | Excelon |
| Marken | Norgren |

## **VERSION**

HI-Druckluftfilter.

## **MANUFACTURER**

Genuine Norgren.
