

3/3-Way Soft Start Valve 240VAC Module - Norgren P64F-NNC-PBA

Item no. NRG-P64F-NNC-PBA

Manufacturer Norgren

3/3-W-Anfahrhv 240VAC Modul. Norgren vacuum component (suction cup, vacuum pump, shock absorber) for safe handling and damping in automation.

TECHNICAL DATA

Weight	1.6 kg
Zolltarifnummer	84812090

DESCRIPTION

Norgren vacuum component (suction cup, vacuum pump, shock absorber) for safe handling and damping in automation.

BENEFITS

- Safe gripping and handling by vacuum
- Reliable damping of end positions

VERSION

3/3-W-Anfahrhv 240VAC Modul.

APPLICATIONS

Vacuum handling and damping in automation.

MANUFACTURER

Genuine Norgren.
