

GT4 Tensioner Adaptor Kit, 2" 8 UN Thread - Enerpac GT4PNRS2000U08

Item no. ENP-GT4PNRS2000U08

Manufacturer Enerpac

Adaptor kit that fits the Enerpac GT4 hydraulic bolt tensioner to 2" 8 UN thread. Converts the same tool to this stud size without a new tensioner, pitch between bolts N 120 mm.

TECHNICAL DATA

Country of Manufacture	United States
Hinweis	Verschraubungsgeräte
Weight	10.7 kg

DESCRIPTION

The GT4PNRS2000U08 adaptor kit couples the Enerpac GT4 hydraulic bolt tensioner to 2" 8 UN thread and keeps the tensioner ready for changing stud sizes.

BENEFITS

- Converts the GT4 tensioner to 2" 8 UN studs without buying a new tool
- Fast tool changeover between different thread sizes on the same joint
- Genuine Enerpac parts ensure correct fit and repeatable tensioning load

TECHNICAL DATA

- Thread: 2" 8 UN
- Thread type: UN thread (imperial)
- Pitch between bolts N: 120 mm (4.7 in)
- Fits: Enerpac GT4 bolt tensioner
- Weight: 10.7 kg
