DESCRIPTION

The RSQ11000 is an interchangeable square drive head with a 1 1/2 in. square drive for hydraulic Enerpac RSL drive units. The power head and square drive combination allows flexible use with common impact-quality sockets.

BENEFITS

- 1 1/2 in. square drive for common impact-quality sockets
- Interchangeable cassette for quick adaptation of the drive unit system
- Push-button release to reverse the drive direction for tightening and loosening
- Simple, robust construction with few moving parts

TECHNICAL DATA

- Drive: 1 1/2 in. square
- Weight: 8.4 kg
- Series: RSQ
