|------------------------|--------------------|
| Country of Manufacture | United States      |
| Hinweis                | Industriewerkzeuge |
| Serie                  | STB                |
| Weight                 | 174 kg             |

### DESCRIPTION

The STB202N pipe bender set makes smooth, wrinkle-free bends on pipe up to 4 in.. The frame and bending shoes are heat-treated aluminium to keep the weight down. The 4 in. Eject-O-Matic bending shoes are double-acting and eject the pipe after bending.

### BENEFITS

- Smooth, wrinkle-free bends up to 4 in.
- Lightweight heat-treated aluminium frame and bending shoes
- BZ-12091 angle indicator for accurate bend angles
- BZ-12377 shoe lock pin for the bending shoe

### TECHNICAL DATA

- Type: pipe bender set
- Pipe range: up to 4 in.
- Operating pressure: 700 bar
- Weight: 174 kg
- Series: STB

### IN THE BOX

- Aluminium bending frame and shoes
