

Tank Aluminium BAK 63 without Ölauffangrand - KTR 170636000000

Item no. KTR-170636000000

Manufacturer KTR

Tank Aluminium BAK 63 without Ölauffangrand. The KTR hydraulic tank holds the hydraulic oil of the power unit, calms the oil and allows air separation and heat dissipation.

TECHNICAL DATA

Country of Manufacture	Germany
Material	Aluminium
Series	Behälter
Weight	11.6 kg
Zolltarifnummer	84139100

DESCRIPTION

The KTR hydraulic tank holds the hydraulic oil of the power unit, calms the oil and allows air separation and heat dissipation.

BENEFITS

- Calms the oil and supports air separation
- Sturdy construction for permanent power-unit operation

VERSION

Tank Aluminium BAK 63 without Ölauffangrand.

APPLICATIONS

Oil reservoir and calming in hydraulic power units.
