

Tank ST BNK 2000/A/E without Deckel DIN24339:2016-04 - KTR 272015189000

Item no. KTR-272015189000

Manufacturer KTR

Tank ST BNK 2000/A/E without Deckel DIN24339:2016-04. The KTR hydraulic tank holds the hydraulic oil of the power unit, calms the oil and allows air separation and heat dissipation.

TECHNICAL DATA

Country of Manufacture	Germany
Material	Steel
Norm	DIN 24339
Series	Behälter
Weight	532 kg
Zolltarifnummer	84139100

DESCRIPTION

The KTR hydraulic tank holds the hydraulic oil of the power unit, calms the oil and allows air separation and heat dissipation.

BENEFITS

- Calms the oil and supports air separation
- Sturdy construction for permanent power-unit operation

VERSION

Tank ST BNK 2000/A/E without Deckel DIN24339:2016-04.

APPLICATIONS

Oil reservoir and calming in hydraulic power units.
