

SI size1 KPL. DK-LT-T3 D.10 pilot-bored - KTR 631020300050

Item no. KTR-631020300050

Manufacturer KTR

SI size1 KPL. DK-LT-T3 D.10 pilot-bored. KTR-SI is a backlash-free safety and overload coupling from KTR with a positive-locking ball detent system in quenched and tempered steel.

TECHNICAL DATA

Bore (mm) **10.000000**Country of Manufacture **Germany**Series **KTR-SI**Weight **1.7 kg**Zolltarifnummer **84839089**

DESCRIPTION

KTR-SI is a backlash-free safety and overload coupling from KTR with a positive-locking ball detent system in quenched and tempered steel. On overload the detent system separates the power flow.

BENEFITS

- Reliable overload protection through positive-locking ball detent
- Backlash-free torque transmission in normal operation
- High repeatability through quenched and tempered steel

VERSION

SI size1 KPL. DK-LT-T3 D.10 pilot-bored.

APPLICATIONS

Overload protection in drive trains of machinery and plant.
