

Oil/Water Cooler Befestigungshalter BH 500-60 SET - KTR 149005000007

Item no. KTR-149005000007

Manufacturer KTR

Oil/Water Cooler Befestigungshalter BH 500-60 SET. The KTR oil/water cooler transfers the heat of the hydraulic oil to a water circuit.

TECHNICAL DATA

Country of Manufacture	Germany
Series	Öl-/Wasserkühler
Weight	0.54 kg
Zolltarifnummer	84139100

DESCRIPTION

The KTR oil/water cooler transfers the heat of the hydraulic oil to a water circuit. It cools compactly and effectively with high heat capacity in a small space.

BENEFITS

- High heat capacity in a small space
- Effective cooling via the water circuit

VERSION

Oil/Water Cooler Befestigungshalter BH 500-60 SET.

APPLICATIONS

Cooling of hydraulic oil where cooling water is available and heat loads are high.
