

Oil Cooler PIK 200/21/25-15 V1-BAUW. medium pressure - KTR 282000212515

Item no. KTR-282000212515

Manufacturer KTR

Oil Cooler PIK 200/21/25-15 V1-BAUW. medium pressure. The KTR oil-air cooler cools hydraulic oil in the bypass and keeps oil temperature in range.

TECHNICAL DATA

Country of Manufacture	Germany
Series	Ölkühler
Weight	10.2 kg
Zolltarifnummer	84139100

DESCRIPTION

The KTR oil-air cooler cools hydraulic oil in the bypass and keeps oil temperature in range. The oil flows through the aluminium cooling net and releases its heat to the air.

BENEFITS

- Keeps oil temperature in the optimum range
- Extends the service life of oil and seals
- Light, highly conductive aluminium cooling net

VERSION

Oil Cooler PIK 200/21/25-15 V1-BAUW. medium pressure.

APPLICATIONS

Cooling of hydraulic oil in power units, presses and drives.
