

Pump Carrier PL 250/4/67-03 1Entlüftungs- and leakage- oil bore - KTR 102516046703

Item no. KTR-102516046703

Manufacturer KTR

Pump Carrier PL 250/4/67-03 1Entlüftungs- and leakage-oil bore. The KTR pump carrier (bell housing) connects a hydraulic pump to the drive motor and keeps both in alignment.

TECHNICAL DATA

Country of Manufacture	Germany
Series	Pumpenträger
Weight	3.31 kg
Zolltarifnummer	84139100

DESCRIPTION

The KTR pump carrier (bell housing) connects a hydraulic pump to the drive motor and keeps both in alignment. It absorbs the reaction torque and damps vibration.

BENEFITS

- Accurate alignment of pump and motor
- Reduces structure-borne noise and running noise
- Standardised connection dimensions for common sizes

VERSION

Pump Carrier PL 250/4/67-03 1Entlüftungs- and leakage-oil bore.

APPLICATIONS

Building hydraulic power units where a pump is flanged to a standard electric motor.
