

Pump Carrier PK 350/4/34 - KTR

103526043400

Item no. KTR-103526043400 **Manufacturer** KTR

Manufacturer no. 103526043400

Pump Carrier PK 350/4/34. The KTR pump carrier (bell housing) connects a hydraulic pump to the drive motor and keeps both in alignment.

TECHNICAL DATA

Artikel-Authentizität	Originalprodukt
Artikelzustand	Neu
Baureihe	Pumpenträger
Country of Manufacture	Germany
Zolltarifnummer	84139100

DESCRIPTION

The KTR pump carrier (bell housing) connects a hydraulic pump to the drive motor and keeps both in alignment. It absorbs the reaction torque and damps vibration.

Benefits

- Accurate alignment of pump and motor
- Reduces structure-borne noise and running noise
- Standardised connection dimensions for common sizes

Version

Pump Carrier PK 350/4/34.

Applications

Building hydraulic power units where a pump is flanged to a standard electric motor.
