

Forged Ball Valve Steel, Zink/Eisen-beschichtet 2-Wege-Ball Valve Anschluss: 2 - Stauff 3404000024

Item no. STF-3404000024

Manufacturer Stauff

Forged Ball Valve Steel, Zink/Eisen-beschichtet 2-Wege-Ball Valve Anschluss: 2. The STAUFF valve controls or shuts off the flow in hydraulic lines.

TECHNICAL DATA

Country of Manufacture **Germany**

Material **Steel**

Weight **9.115 kg**

Zolltarifnummer **84818081**

DESCRIPTION

The STAUFF valve controls or shuts off the flow in hydraulic lines. It works leak-free and is designed for the high working pressures of hydraulic systems.

BENEFITS

- Leak-free function at high working pressure
- Rugged steel design for continuous operation

VERSION

Forged Ball Valve Steel, Zink/Eisen-beschichtet 2-Wege-Ball Valve Anschluss: 2.

APPLICATIONS

Shutting off, holding back or controlling the flow in hydraulic systems.
