

Pressure Gauge - Stauff 1910021284

Item no. STF-1910021284

Manufacturer Stauff

Pressure Gauge. The STAUFF pressure gauge reliably indicates the working pressure in hydraulic and pneumatic systems.

TECHNICAL DATA

Country of Manufacture **Germany**Weight **0.004 kg**Zolltarifnummer **39169010**

DESCRIPTION

The STAUFF pressure gauge reliably indicates the working pressure in hydraulic and pneumatic systems. The rugged case and damped movement provide a stable reading even under pressure surges.

BENEFITS

- Stable reading through a damped movement
- Rugged stainless steel case for harsh environments
- Pressure ranges and connections for standard hydraulic applications

VERSION

Pressure Gauge.

APPLICATIONS

Pressure indication and monitoring on hydraulic power units, test benches and systems.
