

Stainless Steel Pressure Gauge diameter 63 mm pressure range 0 to 10 bar scale bar, PSI - Stauff 1910000923

Item no. STF-1910000923

Manufacturer Stauff

Stainless Steel Pressure Gauge diameter 63 mm pressure range 0 to 10 bar scale bar, PSI. The STAUFF pressure gauge reliably indicates the working pressure in hydraulic and pneumatic systems.

TECHNICAL DATA

Country of Manufacture **Germany**

Material **Stainless steel**

Weight **0.228 kg**

Zolltarifnummer **90262040**

DESCRIPTION

The STAUFF pressure gauge reliably indicates the working pressure in hydraulic and pneumatic systems. The rugged case and damped movement provide a stable reading even under pressure surges.

BENEFITS

- Stable reading through a damped movement
- Rugged stainless steel case for harsh environments
- Pressure ranges and connections for standard hydraulic applications

VERSION

Stainless Steel Pressure Gauge diameter 63 mm pressure range 0 to 10 bar scale bar, PSI.

APPLICATIONS

Pressure indication and monitoring on hydraulic power units, test benches and systems.
